

Partnering with Us

Boost your Wallet. Wellbeing. World.

Here at Yield & Spread, we teach the ins and outs of **personal finance, investing, and financial wellbeing**. We believe every single person deserves the right to learn about financial literacy and that this knowledge is key to **self-empowerment and development**.

Learning to Yield (v.) /'yēld /

THE STUDENT EXPERIENCE

Students learn the basics of money management and investing through our online, self-paced course. With 6+ hours of content, it's ideal for beginners or those who want to dive a whole lot deeper.

Example teachings from class:

- Navigate banks and investments
- Choose between stocks, bonds & funds
- Leverage tax-advantaged accounts
- Map your goals to investments

Helping to Spread (v.) /'spred /

ALL PROFITS GO TO CHARITY

Yield & Spread was created to build as much good as possible. After operating costs, every single additional cent we generate goes to highly cost-effective and impactful charities. We believe that financial literacy is our key superpower to doing good in this world.

Our Offerings

Everyone deserves access to high-quality financial education. It is the single most empowering tool you can give to your people. Yield & Spread offers a wide array of learning opportunities.

We offer unique workshops, with topics such as:

- Breaking down personal finance barriers
- Investing in your 401k A-Z
- Reaching Financial Independence before 65
- Building generational wealth

Or if you really want to wow your team, come take our [Learn to Invest](#) course as a group and add on a live office-hour or two with us.

Happy Clients
